Isle De France NEW

#120843 - 01/29/08 07:45 AM

Has anyone stayed in the hillside pool suites and does anyone have any comments on their spa?

the spa at IDF is great, many treatment options available; a spa brochure, with descriptions of the services and rates, is on the hotel's website; we have stayed in the garden cottages, which were lovely . Good luck, and enjoy!

and they talk about Restaurants...
